

31st January 2026, Prague

At the end of January, we presented Shintô Musô Ryû and Fuzoku Ryûha in Prague in cooperation with the Czech-Japanese Society.

The all-day event included a lecture on the history and principles of the school, demonstrations of specific techniques, and then basic exercises for complete beginners and practitioners of other martial arts.

Twenty people participated in the event, with Renata and Zdeněk taking part in the demonstrations and explanations.
