

Zlín, January 2026

During the weekend of January 17-18, 2026, we organized a small jodo seminar in Zlín, Czechia.

Only six people participated in the seminar (five in the photo from Saturday), but we were also visited by Adrian from Romania and Lubka from Slovakia. We appreciate such visits.

We practiced and explained kihon tandoku and sotai, and kata from omote to gohon no midare. According to the level of each participant.
