

SMR JODO & KENJUTSU SEMINAR with PATRIK ORTH SENSEI , 5-7.06.2026. - what an inspiring and motivating seminar it was! ♥

We would like to sincerely thank Patrik Orth Sensei for traveling so many kilometers and dedicating his time to teach us during such a short weekend. Your guidance, attention to details, strictness help us improve - not only in jodo, but in other disciplines as well. It helps our dojo grow, strengthen our passion for training, and show us the direction we should continue to follow.

Training under your instruction is always a valuable experience. The atmosphere, knowledge, and spirit of the seminar inspired all of us to work harder, learn more, and keep improving.

We truly appreciate everything you do for us and feel very fortunate to have such a teacher. We are already looking forward to our next seminar! ♥

Best regards,
