Invitation for Summer Gasshuku 2021!

We are glad to announce the **European Judo Federation** annual "**Summer Gasshuku 2021**". This year we invite you to Chmielno (near Gdańsk) in northern Poland.

Chmielno lies among picturesque lakes, hills and forests in the region called "Kashubian Switzerland" and this year celebrates the **800th Anniversary!** It is about 40 km from Gdańsk.

"Summer Gasshuku 2021" will assemble SMR jodokas from many European countries. Guided by Sensei and following him masters, we will discover new technical aspects and challenging concepts of Japanese Budo. Apart from intensive practice, we will share this time together.

So, it is an honor to enunciate a theme from Pascal Krieger Sensei dedicated for our Gasshu-ku:

"HITORI WA HAYAI, ISSHÔ WA TÔI"
"Alone we go faster, together we go further"

Again, we cordially invite you all to the Gasshu-ku in Chmielno. Looking forward to see you!
